Also thanks to M W Surfacing for the wristband sponsorship and LDA Technical and Newbury Developments for supplying the lighting.

## ***Dear Supporters,***

Welcome to our ABC Home Show...

Our talented and dedicated boxers train 4 to 5 times a week in the gym as well as run from home all year round. The amount of intensity and sheer time and effort they put in is amazing. Nothing gives us more pleasure than providing a well-earned stage for them to showcase all of their hard work and talents for family, friends, sponsors and the local community.

We would like to send sincere thanks to all of our Fantastic Sponsors, our dedicated England Boxing Officials, our hosts here at The Wymondham Rugby Club, all of the clubs that have travelled from all over the UK to be with us this evening and also to you our valued supporters for being here to enjoy the evening with us appreciating the phenomenal sport of boxing.

We hope you enjoy the show!

Kind Regards

The Attleborough Boxing Club Team

## ***A word for our sponsors***

Attleborough Boxing Club and its members would like to extend a very warm hand of thanks to all our club sponsors, supporting partners and those that give donations, there are far too many to name but without your support and help the club would not be able to progress and offer the fantastic facilities that it does. The generosity by all has been, and is, truly amazing.

## ***Sponsorship***

If you know anyone that may be interested in helping by either becoming a boxer sponsor or a principal sponsor to help us build on a hugely successful period in the clubs history, please get in touch with the club Chairman Colin Kilby on 07789866781 for more details.

Enjoy your evening

Game on!!

Colin

*Proud to be a principle sponsor of Attleborough Boxing Club*

*When my daughter was starting secondary school, the headmistress told a story. Every morning a boy would walk down onto a beach near his home. The beach was covered with starfish that had been washed up by the tide. The little boy threw as many of them as he could back into the sea before the sun became too hot and they died. An old man watched him and one day asked him "why ever are you doing this? There are thousands of starfish on the beach and you can only throw a small number back. Does it really matter?" "It matters to them" the boy replied.*

I feel that sums up ABC .

I was invited as a guest to the boxing evening in Attleborough. Reading the profiles of the boxers brought home to me just how much of a difference the club had made to the lives of these young people. Confident, self-assured, disciplined respectful and super fit; wonderful ambassadors for the club and more importantly themselves. It is for this reason that Rogers and Norton are proud and honoured to be a principal sponsor of the club.

# KISSINGER ESTATE AGENTS

I find it amazing that I have reached the end of my seventh year of sponsorship of Attleborough Boxing Club and am as proud today as I was at the end of year one to be associated with such a forward thinking and outstanding facility for the people of Attleborough and the surrounding area. Each year I'm amazed at the progress and growth that the club has achieved. None of

these things would be possible without the endless hard work, commitment and selflessness shown by the volunteers who have made this happen and in return none of this would have any point without the members of the club that utilise and support the facility. Once again, well done Attleborough Boxing Club – you should be very proud of yourselves.
